Took a little more digging and it's a shortened version of our usual data solicitation.

Thanks, Melissa! If possible, do you also have the Baltimore Harbor solicitation?

Jillian,

Attached is the data solicitation we used for the Anacostia Trash TMDL. It also included other watersheds and impairments.

Yes, we send out a data solicitation memo for all TMDLs.

Melissa, can you please send Jillian data solicitations for Anacostia and Baltimore Harbor Trash?

Hi Anna,

I'm wondering if MDE published a data solicitation memo during the Baltimore Harbor trash TMDL development. If so, could you point me towards it? We're trying to develop one for the Anacostia and we think MDE's memos would be a great starting point.

Thank you,
